

CAMERONS

## MITTAGONG

This masterbuilt home has been designed to maximise space and is tastefully decorated throughout. The home features 4 double size bedrooms all with built-in robes and the main with ensuite. Large formal and informal living areas compliment the home and offer room to enjoy and the large kitchen features stainless steel appliances. Double garage and low maintenance grounds and gardens.

With a close proximity to the soon to be completed Mittagong Market Place, this home is really going to suit those who want convenience and size.
