### 260 Drapers Road Colo Vale NSW

6 2 4

From the entrance it just looks like a normal property but as you start to meander through you get the full appreciation of how special this property really is.

With flowing streams stone bridges and a massive dam, water is abundant.

You are completely hidden from the outside world yet only minutes to Mittagong.

Upon the land we have a neat and tidy brick veneer and tile residence featuring three bedrooms, comfortable living space, bathroom and kitchen, carport and sunroom and a large separate shed with amenities, all presenting in very good order and currently leased to excellent tenants.
